Dear Parishioners, Members of the Serbian Eastern Orthodox Church of St. Archangel Michael, 212 Delaware Avenue and all our Brothers and Sisters.

The Covid-19 virus, the current lockdown and stay at home order has brought significant challenges to us, our community, and our church.

Our church is not any different from any other at the moment, so, yes we are taking big financial losses. It's a concern because the celebrations of Palm Sunday, Easter and Holy Week bring together a great number of people. The current limit for church services is limited to only 10. This year Easter is entering a virtual reality that will hurt our church as well as others financially. Our parish is facing increased risk of financial shortfalls due to the Covid-19 pandemic and its effects on everyday life.

As COVID-19 continues to spread, the future has never felt so unpredictable. These are challenging times for us all, and we hope you're in good spirits and health! Right now, we're doing everything possible to sustain daily operations and provide services to our community. While there's a lot of uncertainty, we know that we need to adapt fast to our changing reality. Now, more than ever, our community needs us. And we need you!!

We are appealing to our members, parishioners and all our brothers and sisters to help us in these difficult days with your donations. For your convenience, the church has set up a secure online donation section which can be accessed through the church's website at: <https://www.starchangeltoronto.com/> You can donate with your credit card or an E-Transfer. You may be uncomfortable with electronic technology and avoid going online but you can send a cheque to the Serbian Eastern Orthodox Church of St. Archangel Michael, 212 Delaware Avenue, Toronto, Ontario, M6H 2T5.

We thank you in advance and may God bless you all.

Executive Board of St. Archangel Michael SEOC.
